

Cash Donations:

Cash donations are always welcome. These donations provide flexibility in terms of filling age/gender shortfall areas that the actual toy donation collection effort fails to cover each year. Traditionally, shortfall areas include infant as well as young adult (13 and above). Checks or money orders are preferred by those desiring to make contributions. Please make checks or money orders out to "*Marine Corps Toys for Tots Foundation*". ALL cash donations received by the Nittany Leathernecks are sent to an account held by the national headquarters located at Quantico, Virginia. All (100%) money received by the Nittany Leathernecks goes to the Centre County effort. Checks should/will be annotated with "Nittany Leathernecks Detachment" in the memo section before forwarding to the national foundation in order to ensure they are held for the exclusive benefit of Centre County. The foundation provides accountability and protection to ensure no misuse of the funds occur. Absolutely NO member of the Nittany Leathernecks Detachment receives any personal compensation for his/her effort(s) on behalf of the campaign. All contributions made to the *Marine Corps Toys for Tots Foundation* are tax deductible under the IRS-approved code 501(c)3 "Tax Exempt Organization." The federal identification number (FIN) for the *Marine Corps Toys for Tots Foundation* is 22-3050009.
